THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Campton in the County of Grafton in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at Town House in said Campton on Tuesday, the Ninth day of March, next at nine of the clock in the Forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing, and to cast your vote for delegate to the Constitutional Convention.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.

3. To see how much money the Town will vote to raise for the maintenance of its highways and bridges and make appropriation of the same.

4. To see if the Town will vote to authorize the Selectmen to borrow money in anticipation of taxes.

5. To see if the Town will vote to raise and appropriate the sum of \$800.00 for Campton Cemetery, also to clean up and fence other cemeteries in Town.

6. To see if the Town will vote to raise and appropriate the sum of \$50.00 for Memorial Day.

7. To see if the Town will vote to raise and appropriate the sum of \$300.00 for White Pine Blister Rust Control.

8. To see if the Town will vote to raise and appropriate the sum of \$100.00 for the Sceva Speare Memorial Hospital.

9. To see if the Town will vote to raise and appropriate the sum of \$25.00 for the White Mountain Region Association.

10. (By petition) To see if the Town will vote to raise and appropriate the sum of \$1,000.00 to be paid to the Campton Volunteer Fire Dept., for the extinguishment of fires in said town.

11. (By petition) To see if the Town will vote to repair, paint and provide steel guards to protect bridge ends from snow plow damage and further provide as required by State Law, safety guard rails to both approaches of the Town owned Covered Bridge over the Branch Brook.

12. To see how much money the Town will vote to raise and appropriate to construct a road on the West side of the Mad River from the Westerly approach of Chase Bridge so-called, passed the residence Walter Washburn connecting with the road leading to Camp-ton Upper Village.

13. To see if the Town will vote to discontinue the Chase Bridge, so-called, and approaches from the junction of the Main Road in front of Willey store to the end of the Westerly approach of said Bridge.

14. To see if the Town will vote to discontinue, subject to gates and bars, the road leading southeasterly from the driveway of Cedric Kelly to the bridge.

15. To see if the Town will vote to accept the reports of Agents and officers heretofore chosen.

16. To transact any other business that may legally come before said meeting.

According to State Law the polls cannot be closed before six o'clock P. M.

Given under our hands and seal, this eighteenth day of February, in the year of our Lord nineteen hundred and forty-eight.

WEBB LITTLE,
BERTRAM W. PULSIFER,
GEORGE V. DURGIN,
Selectmen of Campton

A true copy of Warrant—Attest:

WEBB LITTLE,
BERTRAM W. PULSIFER,
GEORGE V. DURGIN,
Selectmen of Campton

Selectmen, Town of Campton
Plymouth, N. H.

Gentlemen:

As requested by you at our recent conference, an estimate of the cost of reconstructing the bridge in your town, not including the approaches, is \$80,000.00. Under our State Aid Bridge Law, that would mean that the State would contribute \$20,000.00 and the Town \$60,000.00. There is no possibility of the existing structure being repaired.

Mr. Smith has given us an estimate of the cost of the proposed road relocation, which amounts to \$20,000.00. The length is about .6 of a mile.

If the Town should desire to relocate the highway rather than construct the bridge, the State will contribute the amount of \$15,000.00, and desires that the Town raise \$5,000.00 as its share. Also, if the Town does prefer to do this, some provision should be made for abandoning the old bridge and approaches thereto.

Yours truly,

F. E. EVERETT,

Commissioner.

The above letter is printed in order to give the voters of the Town full information as to the reason for articles 12 and 13 in the warrant.

BUDGET OF THE TOWN OF CAMPTON

Estimates of Revenues and Expenditures for the ensuing Year January 1, 1948 to December 31, 1948 Compared with Estimated and Actual Revenue, Appropriations and Expenditures of the Previous Year January 1, 1947 to December 31, 1947.

School Report

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the Town of Campton qualified to vote in district affairs:

You are hereby notified to meet at the Town House in said district on the ninth day of March, 1948, at two o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agents of the District.
6. To hear the reports of Agents, Auditors, Committees, or officers heretofore chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees, in relation to any subject embraced in this Warrant.
8. To see if the District will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the District, as determined by the School Board in its annual report.

9. To see if the District will vote to appropriate the sum of \$550.00 to insulate the ceilings of Beebe, Branch, Center, Blair and Livermore schools.

10. To see if the District will vote to appropriate \$4,500.00 to cover deficiency appropriation for the present year, 1947-48.

11. To transact any other business that may legally come before said meeting.

Given under our hands at said Campton this 13th day of February, 1948.

RALPH E. AVERY,
DOROTHEA H. CHENEY,
BERTHA S. PULSIFER,

School Board of Campton

Balance June 30, 1948 (estimate)	\$ 00.00
State aid (December 1948 allotment)	10,666.83
Dog Tax (estimate)	266.00
Elementary school tuition receipts estimate)	532.00
Other estimated income	25.00
	<hr/>
Deduct total estimated income (not raised by taxation)	\$11,489.83
	<hr/>
Assessment required to balance school board's budget	\$21,685.17

SPECIAL APPROPRIATIONS PROPOSED

Articles in Warrant

To see if the District will vote to appropriate the sum of \$550.00 to insulate the ceilings of Beebe, Branch, Center, Blair and Livermore schools	\$ 550.00
To see if the District will vote to appropriate \$4500.00 to cover deficiency appropriation for the present year, 1947-48	4,500.00
	<hr/>
Total assessment required to cover budget and appropriations	\$26,735.17

RALPH E. AVERY,
DOROTHEA H. CHENEY,
BERTHA S. PULSIFER,

School Board

* This item includes legal obligations such as judgments, orders of State Department of Health on complaint, necessary rent and costs of authorized administration and insurance. Repairs in excess of 5% of the school money, new equipment and major construction must be raised under special articles in the warrant.

ANNUAL REPORT OF DISTRICT TREASURER

Fiscal Year Ending June 30, 1947

School District of Campton

Summary

Cash on hand June 30, 1946 (Treasurer's bank balance)	\$ 179.80
Received from the Selectmen, appropriation for current year	18,585.00
Balance of previous appropriation	\$ 570.17
Dog Tax	266.46
Received from State Treasurer (state aid)	3,410.01
National Forest Reserve	45.24
All other sources	651.37
Total amount available for fiscal year (Balance and receipts)	\$23,708.05
Less School Board orders paid	\$21,745.52
Balance on hand as of June 30, 1947 (Treasurer's bank balance)	\$ 1,962.53

MARION E. AVERY,

July 1, 1947

District Treasurer

AUDITORS' CERTIFICATE

(Required by the State Board of Education from all
State Aided Districts)

This is to certify that we have examined the books, vouchers, bank statements and other financial records of the treasurer of the school district of Campton, N. H., of which the above is a true summary for the fiscal year ending June 30, 1947, and find them correct in all respects.

HAROLD L. HENDERSON,
IRVING H. BROWN,

July 14, 1947

Auditors.

REPORT OF SCHOOL NURSE

To Campton School Board:

I herewith submit the report of school nursing from September, 1946 to July, 1947.

Number of children inspected 149

Symptoms of defects found:

Dental	59
Tonsils, enlarged or diseased	25
Enlarged glands	7
Vision	7
Underweight	4

These corrections were reported made:

Dental	79
Tonsils	1
Vision	8

The Audiometer test was given to 122 children from grades three to eight inclusive. Six showed definite hearing loss. Two of these were taken to a specialist for further examination and treatment. Bills were paid by the Handicapped Children's program.

Two children had examinations and new glasses through the Sight Conservation program.

Thirteen children, in seventeen dental visits were treated at the dental clinics at Plymouth. The Campton Red Cross paid for part of these calls.

Miss Helen Hinman, State Nutrition Consultant, talked in some of the schools, giving advice on adequate breakfasts and lunches. Supplementary hot lunches were prepared and served in some of the schools by the teachers and parents.

Children needing chest x-rays attended the chest examination and x-ray clinics held at Plymouth.

In the Fall of 1947 inspection was again made with symptoms of the following defects found:

Number of Children inspected	144
Dental defects	44
Tonsils, enlarged or diseased	25
Enlarged glands	7
Vision	3
Underweight	4

These corrections have been reported made since the last inspection to date:

Dental	42
Vision	4
Tonsils	7

Whooping cough has been prevalent and to date twenty cases have been reported.

The program of Health Education, through daily health inspection and classroom talks, is being carried on by the teachers.

Supplementary noon lunches are again being served which are greatly appreciated by children and parents.

I take this opportunity to express my appreciation for the interest and help shown in the health work by parents, children, teachers, Superintendent, School Board and friends.

Respectfully submitted,

ANNA M. LOVETT, R.N.

School Nurse.

ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Campton School Board:

My fifth annual report here presented contains the usual statistical tables and discussions of school administration that directly concern you and should be of interest to all people of Campton.

When the school calendar for the ensuing year is published among other statistics many people fail to find it and are uncertain about dates of opening and closing of school and days when no school sessions are expected. To remove that difficulty the 1948-1949 calendar is presented with explanations at the beginning of this report.

A recent ruling from the office of the Commissioner of Education makes a school year of at least 180 days mandatory. That requirement necessitates a year of 38 weeks without much flexibility if schools are to close near the middle of June. The calendar follows:

Term Begins	Term Ends	No. of Weeks	No. School Days	Expected Days Of No School
Sept. 7, 1948	Dec. 23, 1948	16	72	8
Jan. 3, 1949	Feb. 18, 1949	7	35	0
Feb. 28, 1949	April 22, 1949	8	40	0
May 2, 1949	June 17, 1949	7	34	1
		38	181	9

The nine days of expected no school are: Labor Day, Fair Day, State Convention (2), Armistice Day, Thanksgiving with the following Friday, December 24, May 30.

Time lost on account of illness or bad weather should be made up in Saturday sessions immediately following the lost sessions.

From time to time, questions are asked about our testing program and the uses we make of the information obtained from those tests. An annual test of mental ability is given in grades one and four. A different test is used for each grade. Achievement tests are given at approximately the middle of each year. The results of the mental tests are not used definitely to label a child as slow, bright or superior. They are used as a general guide for teachers who try to meet individual needs of children and they also enable us to determine whether a given child is working up to the limit of his indicated capacity. The results of achievement tests enable us to determine what parts of a pupil's work need more attention and at what points we can give the most help. The tests used are sufficiently well standardized to give a very accurate picture of accomplishment at any period during the school year. A second achievement test is given later in the year to those pupils who showed marked deficiencies on the first one for the purpose of determining how much improvement has been made and how effective have been the measures we adopted for help. The results of achievement tests and the actual daily work done by pupils are the two determining factors in decisions about promotions. My experience has shown me that promotion for those pupils about whose future success there may be a reasonable doubt is not a kindness or a help to them. In every case the Supt. and the teacher make every effort to reach a decision which will be for the ultimate good of the pupil.

Campton teachers in conjunction with elementary teachers in all other towns in this Union, with the exception of Plymouth, are at work on the development of a program of Conservation teaching. The particular phase of conservation we are considering is that of Conservation and Propagation of Wildlife. In this undertaking we have an opportunity to do some valuable pioneer work which ought to benefit the State as a whole and particularly our children in this town.

During the last two years there have been changes in the location of Campton school pupils. Because so few pupils were living in the section served by the Center School, that school was closed for the school year 1946-1947. In August 1947, it became apparent that a sufficient number of children were then living in that section to require the reopening of the Center school. Mrs. Leona Edgell was given a contract for the current school year as teacher. When our budget for the school year 1947-1948 was prepared, we had every reason to believe that the Center school would remain closed and therefore made no provision for the salary of an extra teacher. So far as we now know, our schools will require a teaching force of eight people for the coming year.

With every chance of enrollment in our different schools which required a transfer of school equipment we have been faced with an acute shortage of usable desks. No new school furniture has been purchased in Campton for several years. In the meantime our old desks and seats have been growing older and less satisfactory. Each year several have gone beyond the point of future use until at the present time we would have very great difficulty in absorbing more than six new pupils in any one or all of our schools together. While I dislike very much to consider purchasing new school furniture at prevailing prices, it seems to be almost absolutely necessary for us to buy at least one dozen Universal type desks before another school year opens. At least that many, and more if possible, should be bought each year from now on until our old and badly crippled desks have been renewed and we have a small reserve for emergency.

Although we are living in an abundance of standing wood growth the problem of getting adequate fuel supplies has annually become more serious. It has been expensive too. Schools heated by wood fires have uneven heat during the day and at night the rooms reached temperatures sometimes at zero or lower. Because of the low temperature reached at night more fuel had to be used to heat the room the next morning than would have been required to keep the temperature

above freezing throughout the night. Wood fuel could not give us that even temperature. During the current year oil burners have been installed in each of the four one room schools. They have so far proved satisfactory in operation and in the long run should not be more expensive than the former heating method. But even if they are, added comfort and health protection for children would make the expense worth while.

A discussion of school furniture and heating systems naturally suggests school repairs. So much heat is lost by radiation thru ceilings that it seems advisable to insulate or cap the ceilings with rock wool. The expense of installation within a comparatively short time ought to be liquidated by fuel savings. Proof of heat leakage can be seen in the ice accumulation on the eaves of school buildings following a snow storm.

Music instruction under Mr. Stephen E Childs has progressed very satisfactorily this year. Accomplishments noted in the limited time allotted to music in each school suggests that our pupils would profit enormously by extending that time. Such extension of time would be possible if Campton, together with other towns in Union 48, can see its way clear to help finance employment of a music teacher on a five day per week basis instead of two and one half days as at present. I am recommending in all of my towns that every effort be made to finance an extended music program. My desire to get pupils this added advantage is made keen because my own school days did not give me the benefit of music instruction and the lack of it has always been felt.

At the time this report is written the approximate amount of State Aid that may be expected in December 1948 has not been announced but it seems reasonable to assume that it will be very near the amount which was received in 1947. The primary purpose of increased State Aid is not tax reduction but an expansion and improvement of educational opportunity within the district which received that aid. The use of 1947 State Aid was restricted by action of the legislature but, beyond that one year, school districts may spend State

Aid funds at their discretion. If Campton chooses to use State Aid money in accordance with the true purpose for which it is granted, steady improvement in our schools can be realized without undue financial burden to the town.

The cordial attitude of Campton people, courtesy and cooperation of the school board and the friendly, loyal spirit of both teachers and pupils have made my work in your schools very pleasant. My appreciation is here expressed.

Respectfully submitted,

ARTHUR S. ROLLINS,

Superintendent of Schools

CAMPTON SCHOOL DISTRICT
